SPECIFICATIONS

Our PGD BERSERKER III is a economical high value for money standalone single-curved plate.

It is a multi-hit rated AL203 Ceramic plate with polyethylene backing. This allows for the very high protection levels at an affordable price.

The plate is covered in a very thin drop resistant foam and a liquid-repellent Cordura cover, which protects the ballistic properties against water, oil and similar liquids.

The plate has a thickness of 30 mm.

7-year ballistic warranty.

BALLISTIC TESTING

- NIJ 0101.04 (certified)
