SPECIFICATIONS

Our PGD LW line are low weight standalone plates and are available as a multi-curved front plate as well as two sizes of single-curved side plates.

The plates are 100% HPPE (High performance Polyethylene). This ensures high protection capabilities against multiple hits.

The plate is very drop resistant and it's covered with a liquid-repellent Cordura cover, which protects the ballistic properties against water, oil and similar liquids.

The plate has a thickness of 28 mm.

7-year ballistic warranty.

BALLISTIC TESTING

- NIJ 0101.04 (certified)
- NIJ 0101.06 (tested)
- CE certified (EU) 2016/425
