SPECIFICATIONS

With its extremely thin (6.7 mm) and flexible design, the PGD Protector is the perfect choice for a comfortable vest suitable for both concealable and overt use.

The carrier system is made with durable Cordura 500D material and laser cut laminates with molle on the shoulders and front. The installed placard is removable.

The ballistics are made with high quality materials from Teijin and weigh 5.6kg/m2.

Features built in front and back pockets for carrying ESAPI hard armor.

7-year ballistic warranty and 2-year warranty on the textile carrier.
