KEY FEATURES

**OUTSTANDING
BALLISTICS**

THIN

**MADE IN
EUROPE**

**EXTREMELY
DURABLE**

**TEMPERATURE
RESISTANT**

**LIQUID AND OIL
RESISTANT**

SPECIFICATIONS

Our PGD U-Line IV is a premium standalone plate and it's available as a multi-curved front/back plate as well as two sizes of single-curved side plates.

The plate is made of monolithic Silicon Ceramic from Saint Gobain and aramid backing. This enables a good protection-to-weight ratio and edge-to-edge ceramics.

The plate is covered with a liquid-repellent Cordura cover, which protects the ballistic properties against water, oil and similar liquids.

The plates have a thickness of just 26 mm.

7-year ballistic warranty.

BALLISTIC TESTING

- NIJ 0101.04 (certified)
- NIJ 0101.06 (tested)
- CE certified (EU) 2016/425

WHAT'S INCLUDED
