SPECIFICATIONS

With its thin (7 mm) and flexible design combined with excellent protective features, the PGD ULTRA is the perfect choice for concealed wearing in operations with multiple threats.

Apart from being a bulletproof vest, the PGD ULTRA also offers protection against knives and spikes. The ballistics are made with high quality materials from Honeywell and Avient Dyneema and weigh 7.3 kg/m².

The carrier system is lined with Outlast® PCM-technology, ensuring maximum comfort and enabling wearing for up to 14 hours a day!

Features built in front and back pockets for carrying ESAPI hard armor.

7-year ballistic warranty and 2-year warranty on the textile carrier.
